Brother Nelson, C.F.X. (Joseph F. Conley)
12/16/13 – 1/19/76

Primum in Primus – First – First Class – Tops! That's Brother Nelson's epitaph. Now, he might have said it "Preem in Preem," but his inclination for the meticulous in Latin phrasing would only permit his epitaph to be carved in elegant Roman.

Brother Nelson had a long, successful career as a classroom teacher. In each school where he taught, there was a love affair between him and the boys he instructed. To each school, he gave his loyalty, and the supreme compliment of regret when he had to leave it. But it will be with Saint John's that his name will be matched.

At Shrews, as Nelson typically called it, he perfected a unique stratagem for teaching Latin to wondering school boys. He never used a textbook. But he did have cupped in his left hand the whole lesson plan outlined in cryptic hieroglypics and, merely by brushing an eyebrow, he could give new momentum to a class which never could fathom this miraculous ability to compress the substance of a 45 minute period to the dimensions of a postage stamp. Brother Nelson was something of an enigma. Shy, self-effacing, laconic, he was, at once, an articulate teacher and a compelling salesman. It was Nelson's classes that raised the most money in fund-drives, brought in the most ads for a program, sold the most tickets for the school show.

Surely there was a time when no Pep rally for the St. Peter's game was ever productive until a spontaneous chant of "We want Nelson" produced a transformation in the diffident Nel as he strode to the mike. He seemed to grow to be ten-feet tall, and his voice found a Churchillian timbre which sent the Pioneers hurtling from the gym frantic for victory.

To his Brothers and students, he was a constant delight, a community favorite. His characteristic three fingers to the forehead, tumb on the cheek, and roll of his eyes is just one of his many famous mannerisms. Optimus-a-um. The Best!

– From the eulogy given by
Brother Alphonsus Dwyer, C.F.X. at St. Mary's Church, Shrewsbury.

JOURNEY

Journey is a game. It spans the length of the entire school year. This game encompasses many memories for those who were part of Saint John's in 1975-1976. So we, the editors, ask you to take a chance: roll the dice, spin the wheel, and journey through this Yearbook.

Student Activities Council

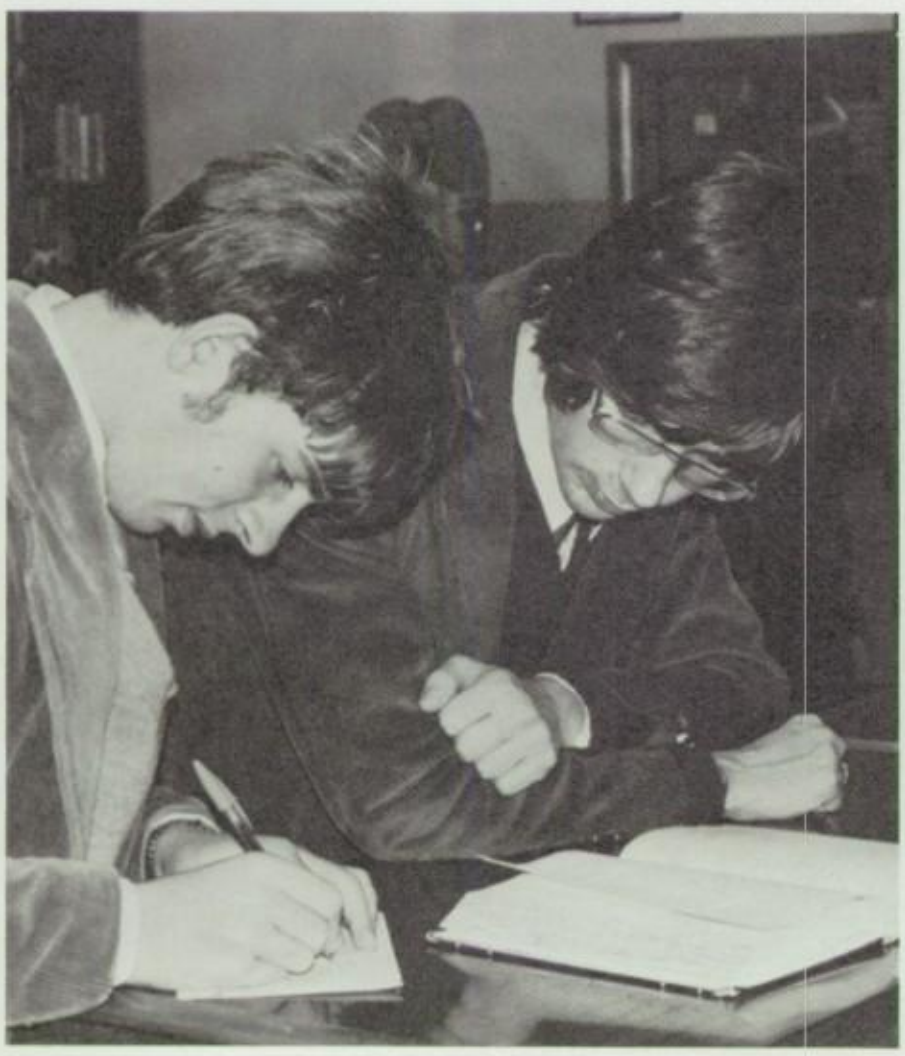
Members of the Executive Board (l. to r.): Mike Moynihan, Secretary; Joe Coggins, Parlimentarian; Tim Diggins, President; Gerry Richer, Vice President; Tony Russell, Activities Co-ordinator; Sam DeSimone, Publications.

Class Officers

Class Officers, 1975-1976: 1s row: Left to right, Tom Turpin, Soph. President; Richard Utzschneider, Junior President; Dave Massucco, Senior President; Mike Buckley, Freshmen President; Joe Ford, Sophomore Vice-President; Tony Iaccarino, Junior Vice President; William Finn, Freshmen Vice-President. Missing from picture is Tim Wickstrom, Senior Vice-President.

National Honor Society

The Brother Campion, C.F.X. Chapter of the National Honor Society formally recognizes a student's scholastic excellence. Members of the society must maintain a total grade average of B+ or better. The society involves itself in tutoring students with scholastic difficulties. Among other activities, Honor Society members assisted at Junior Career Night and Open House. This year, the society celebrated its twentieth anniversary with a National Honor Society Mass. The moderators were Brother William and Mr. Wu. Matt Koomey, Sam DeSimone, Tim Moynihan, Robert Pike, and John Utzschneider served as the Society's officers.



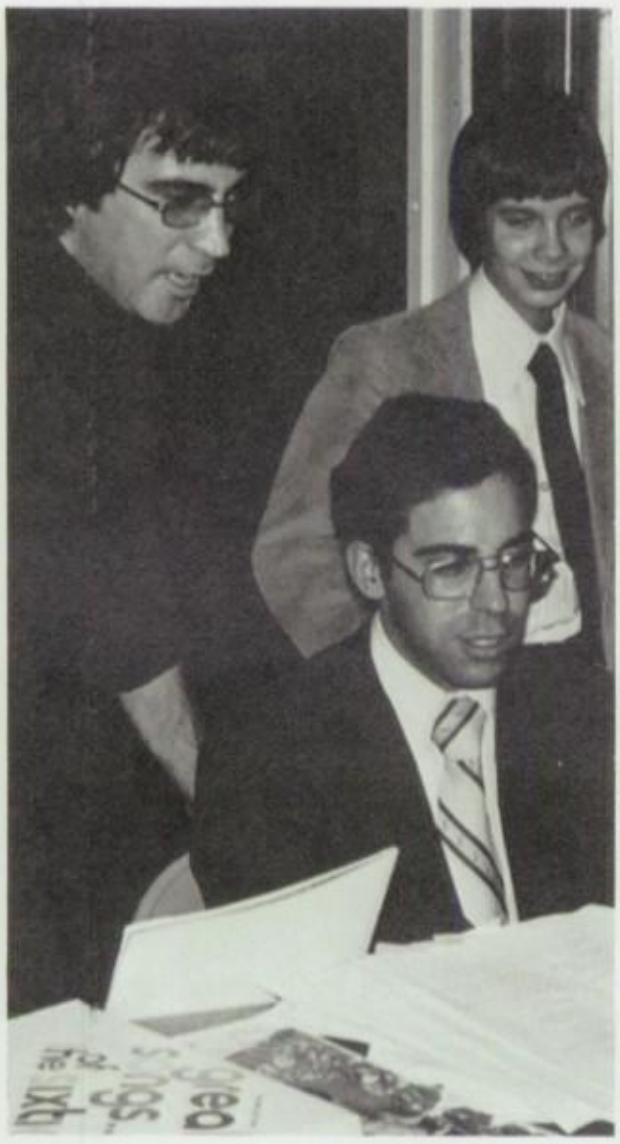
Publicity Committee

(L – R): Paul O'Keefe, John Deedy, Edward Tidman, Stephen Healy, Sam DeSimone, Mark Shea, and Michael Parulis

Chess Club

The Chess Club, moderated by Brother Matthias, did extremely well in 1976. For the last three years, there has been at least one Saint John's team in the Worcester Metropolitan League, competing against some of the best players in Worcester County. This year, the team was captained by Tom English, the club's President. Other members were Joe Jablonski, Tim Brosnihan, Steve Kmiotek, Michael Zona, Joseph Johnson, Mike Gosselin, Mark Marsella, and James Sullivan.

French Club



"Learn a language, live a culture" ... this is the motto of the St. John's French Club, one of the most popular and exciting clubs in the school. With this passport to French culture, members of the Cercle Francais are offered a wide variety of activities which help to make the French language a living experience ...

– French picnic in the country
– Trip to see Moliere's "Don Juan"
– French wine and cheese soiree
– The seventh annual Reveillon Christmas party
– Trip to see the "Little Prince"
– A lesson French cuisine
– Trip to a French restaurant
– THE FRENCH CONNECTION ... A total French Weekend
– These are only some of the "French Imports" provided under the direction of Mr. Paul Jourcin, moderator, and student directors Paul Covino and Lee Tibbitts.

Spanish Club

Organized by Mr. Dooley, the Spanish Club offered several activities to interested students. The Christmas Fiesta is pictured on this page: a typical Spanish celebration.

Science Club

Teacher-moderators Mr. Blute and Mr. Wu presided over the founding of the Science Club at Saint John's in 1975. Their efforts and energies helped to launch a successful program. The members enjoyed activities in diverse fields, including excursions to the Boston Science Museum, University of Massachusetts Medical School; a guest speaker on the Blackstone River; and numerous movies. Other projects included a chemistry essay contest, a science show presentation, and displays in the main lobby. Also, a number of students attended a symposium of off-shore oil drilling presented by the Regional Environmental Council at W.P.I.

Biology Club

Brother Lyndon continued his work this year with one of the school's most successful clubs. The Biology Club's activities were many and varied. Student worked on projects ranging from salt-water aquariums to beehives. The single most popular activity was the study of Worcester's Indian Lake where club members performed a number of water-quality tests. Working hand-in-hand with the Science Club, the Biology Club enjoyed a successful year of studying with life sciences.

Class Assemblies

Class assemblies at St. John's – well, they're different, to say the least. True, sports and academic awards are common; yet, there is always some drama whether it be Ray Cosenza receiving the Hazelhurst Award or watching a student's face as he receives an award for first honors. Class assemblies are a chance for each class president to address his own constituency . . . or, perhaps, to hear Mr. Moynagh or Bro. Fahey "lay down the law." We can't exclude the perennial "psych speech" by Mr. Joseph P. Hayes, or the performance of the Kazoo Marching Band.

S. J. Newspaper

The *Bulletin* is one of the means of communication which exists at St. John's; therefore, its quality and accuracy are very important. This year, the newspaper, headed by editor David Montgomery, has tried to fulfill this obligation to the school. Each week the staff tried to present a variety of articles on the different activities that are happening here at Saint John's. The Newspaper has pioneered various features that incorporate all types of students. For example, co-sports editors David Vilandre and John Healy have provided a wealth of articles on sports here at St. John's. Chuck Tidman has covered basketball, Bob LaBossiere has covered hockey, Paul O'Keefe covered soccer. Many others wrote articles periodically throughout the year.

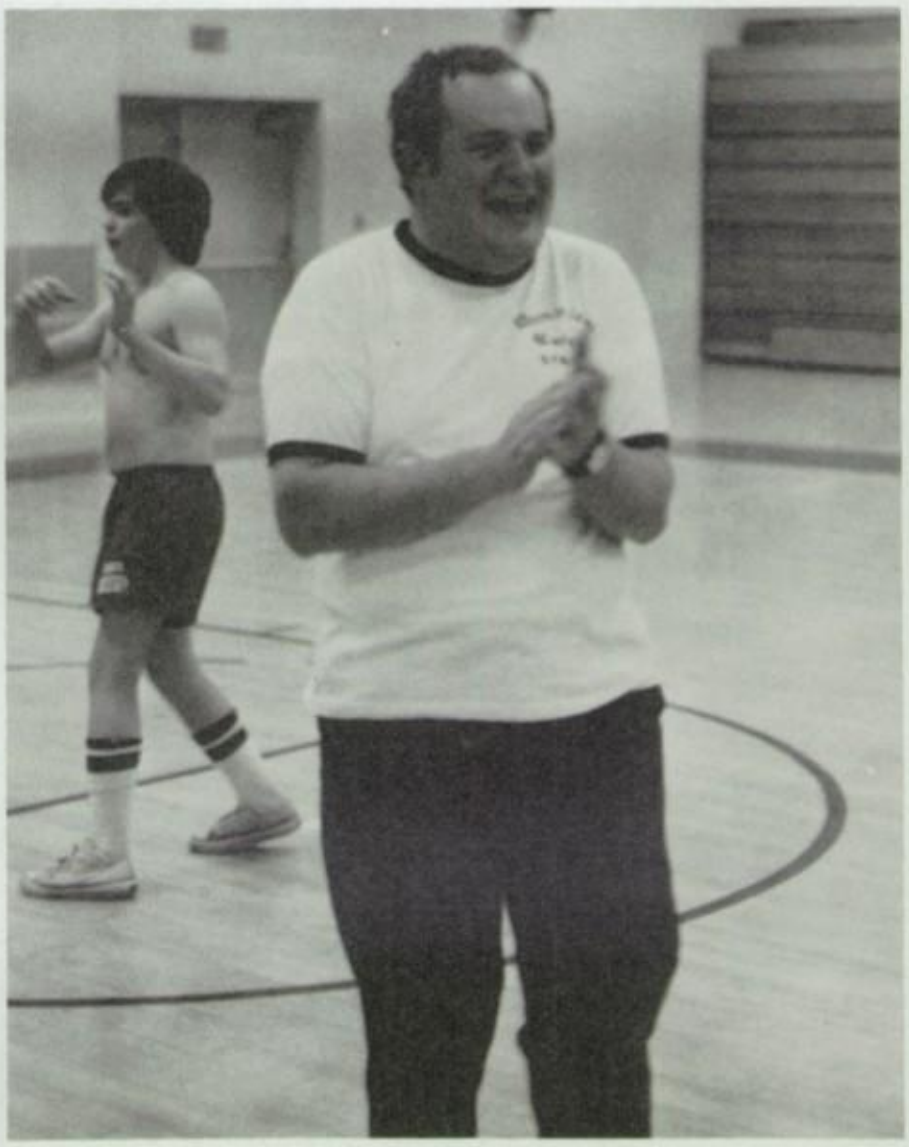
Saint John's Band

The New St. John's Musical Band:
This year St. John's had a new and different type of band. The Band was first organized in late November by David Montgomery and after only two rehearsals was performing. The band has incorporated bass, guitar, organ, drums, trumphet, saxaphone, trombone, and clarinet – Band Members are: David Montgomery – bass, Joseph Macey – Guitar, Tom Daniels – Saxaphone, Tim Hart – organ, John Calhoun – drums, Craig Wynman – Saxaphone, and Don Paine – Guitar. The Band performed for basketball games, Hockey games, open house and other school activities

Photography Club

The Photography Club attempted to photograph and publicize as many school activities as possible. The club was instrumental in aiding the following projects: the Yearbook; *Red, White, and Brassy* (program book and show slides); special exhibits for Open House; a slide show and other exhibits for the recruitment program for future SJ students. Several students contributed to the photography program especially the above pictured (left to right): Mike McKeown, Tom Bolack, Al Hayeck, Charlie Barry, Brian Charette, and Ken Johnson (not pictured)

Class Nights



Drama Club

During this year, the Drama Club, under the direction of Mr. Savage, presented its initial endeavors. The scenes were taken from well-known plays including Arthur Miller's *The Death of a Salesman,* Edward Albee's *The Zoo Story,* George Kaufman's *If Men Play Cards As Women Do,* and Michael Gazzo's *A Hatful of Rain.* Performers included Dan McKiernan, Sam DeSimone, Steve Miller, Mark Milot, Larry Marsan, Mike Coakley, Jack Coggins, Joe Morgan, Rich Nourie, Jim Flynn, Paul McGee, Brian McDermott, Alan Carl, Brian Covino, and Bill Loftus.

Ski Club

A combination of excellent conditions and modest price increases made the 1976 ski season one of the finest in years . . . and the St. John's ski club took advantage of it all. Along with its sister club from Notre Dame Academy, the ski club sponsored successful day trips to Stratton, Bromley, and Killington, and a week-end trip to Gunstock and Waterville Valley. With almost seventy members, the '76 ski club was one of the most active in the school. The club's main objective is to give students the opportunity to experience an important part of New England living . . . New England skiing.

Icon

Icon is a literary and artistic magazine conceived for the benefit of all students interested in art, poetry, short story, and photography. Each year, the editors sponsor a contest under the supervision of Mr. Novick, the faculty moderator. Entries deserving of merit are then published in the magazine.

Model United Nations

The Model United Nations program finished its third year here at St. John's and each year the program has expanded. Headed by the dedicated Mr. Carl Wilson along with Mr. Gregory and Brother Stephen Comeau, the organization attended three conferences this past year. The National High School Model U.N. in New York, the Thirteenth North American Invitational Model U.N. in Washington, and the Assumption College Model U.N. The purpose of the Model U.N. is to inform the student on how the United Nations functions as an international arbitrating body. Each year students are assigned a specific country that they are going to represent at one of these conferences. The student then researches his particular country and familiarizes himself with the foreign policy of that nation.

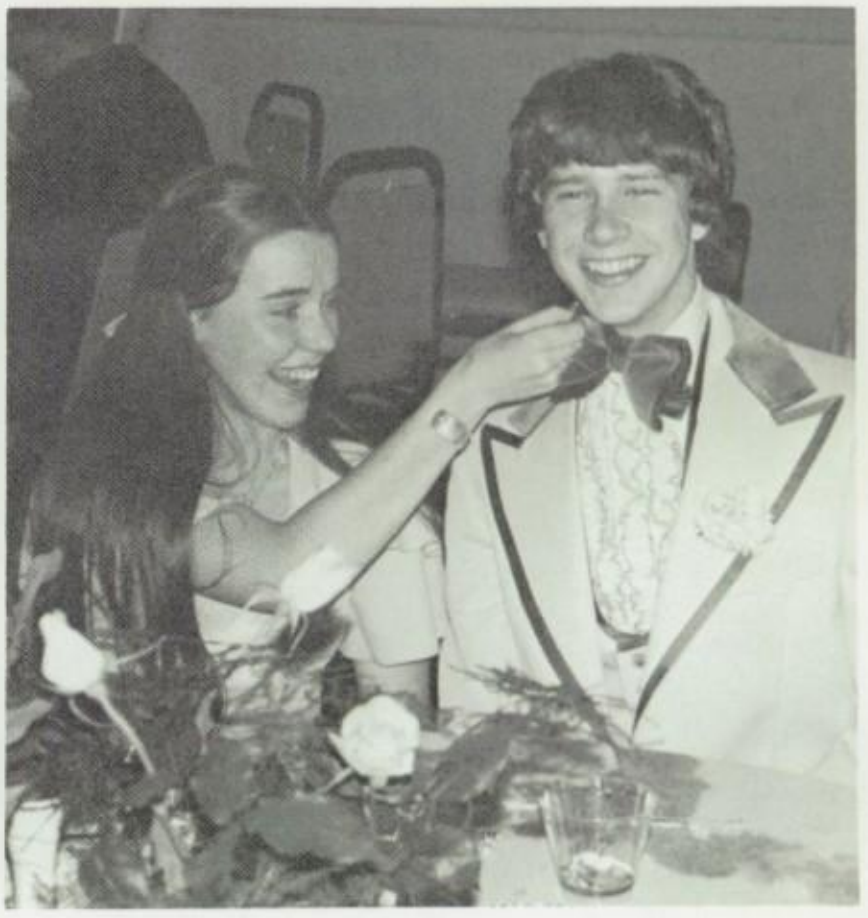
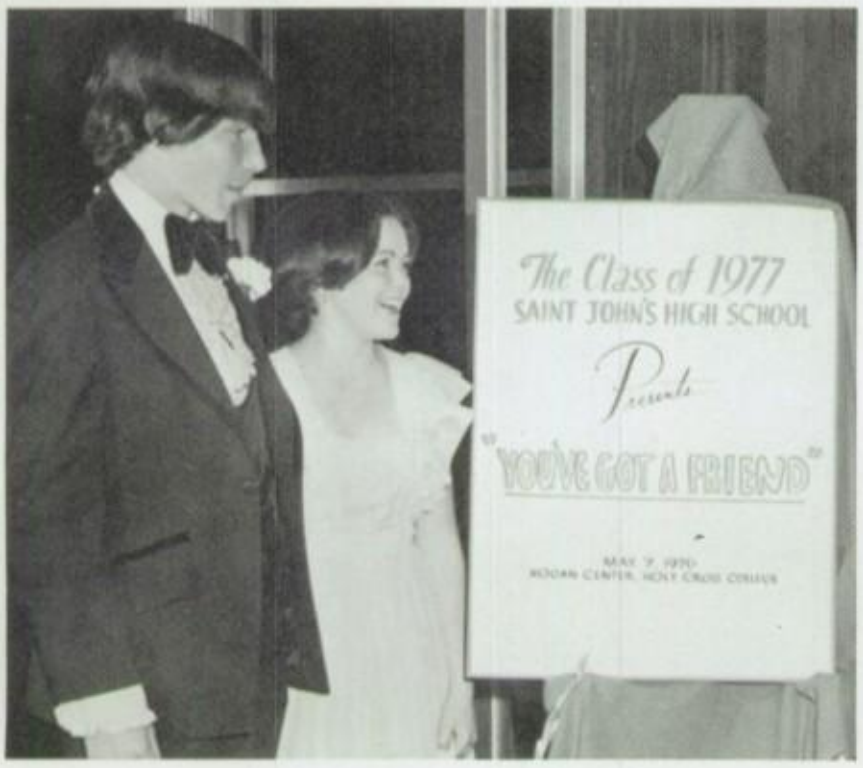
Senior Prom

The 1976 Saint John's Senior Prom, held at the Sheraton Sturbridge on April ninth, was a great success thanks to the Prom Committee and faculty advisors: Mr. Gregory, Mr. Jourcin, and Mr. Foley. More than one hundred Seniors and their dates danced to the music of "Fate." This year's theme was "Stairway to Heaven."



Junior Prom

Ninety-eight couples attended the 1976 Junior Prom at Hogan Center on the campus of Holy Cross. Music was provided by "Bitter Creek" starring St. John's own Matt Koomey, on the drums. Thanks to the excellent job done by the three Prom Chairmen, Brian Covino, John Salem, and Franz Steiner, an enjoyable evening was had by all.



Dedication: The Junior Class dedicated the prom to Mr. Carl Wilson and Mr. D. Edward Dooley, for their service and dedication as teachers, advisors, and class moderators, and to Brother Thomas Lydon, C.F.X. who celebrates his Silver Jubilee as a Xaverian Brother.

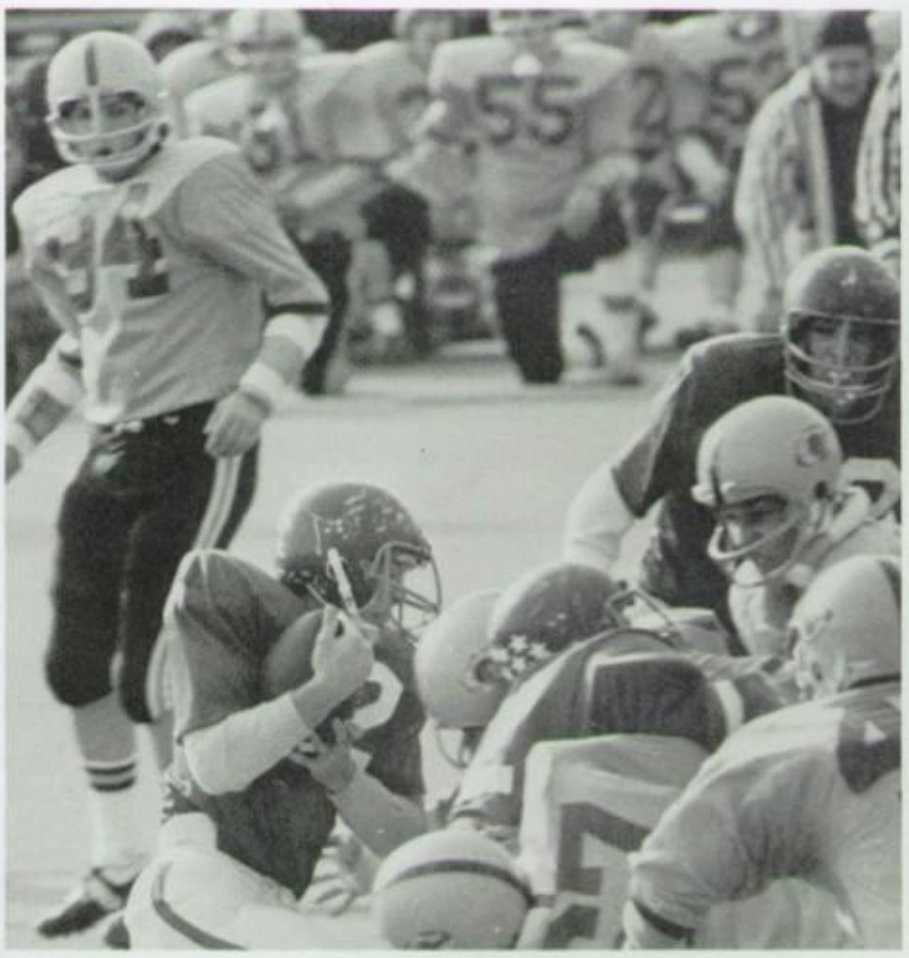
FOOTBALL '75

The 1975 edition of the Big Red Machine started off the season in Leominster, facing the defending chámpions of Centeral Mass. The Blue Devils prevailed, 19-8, but Head Coach Bob Bradley was pleased with his team's overall play. The following week, hosting an always tough Holy Name club, the Pioneers seemed to start off a little on the shakey side, but seemed to find their stride midway through the second quarter, coming out with a 28-12 win. Dave Massucco and Tim Moynihan paced the Pioneer's attack with two touchdowns apiece.

No one had to remind the Pioneers of Doherty's upset victory over them in '74. The defense proved to be the key in this hard fought game, stopping the HiLanders dead no fewer than *five times* inside the SJ 10 yard line enroute to a well deserved 13-0 victory. The following Friday found the Pioneers under the lights in Gardner, where they caged the Wildcats, 36-14. The Big Red Machine was in high gear, and the North High Polar Bears weren't about to stop it. SJ came away with a 28-0 victory, making them 4-1 on the season.

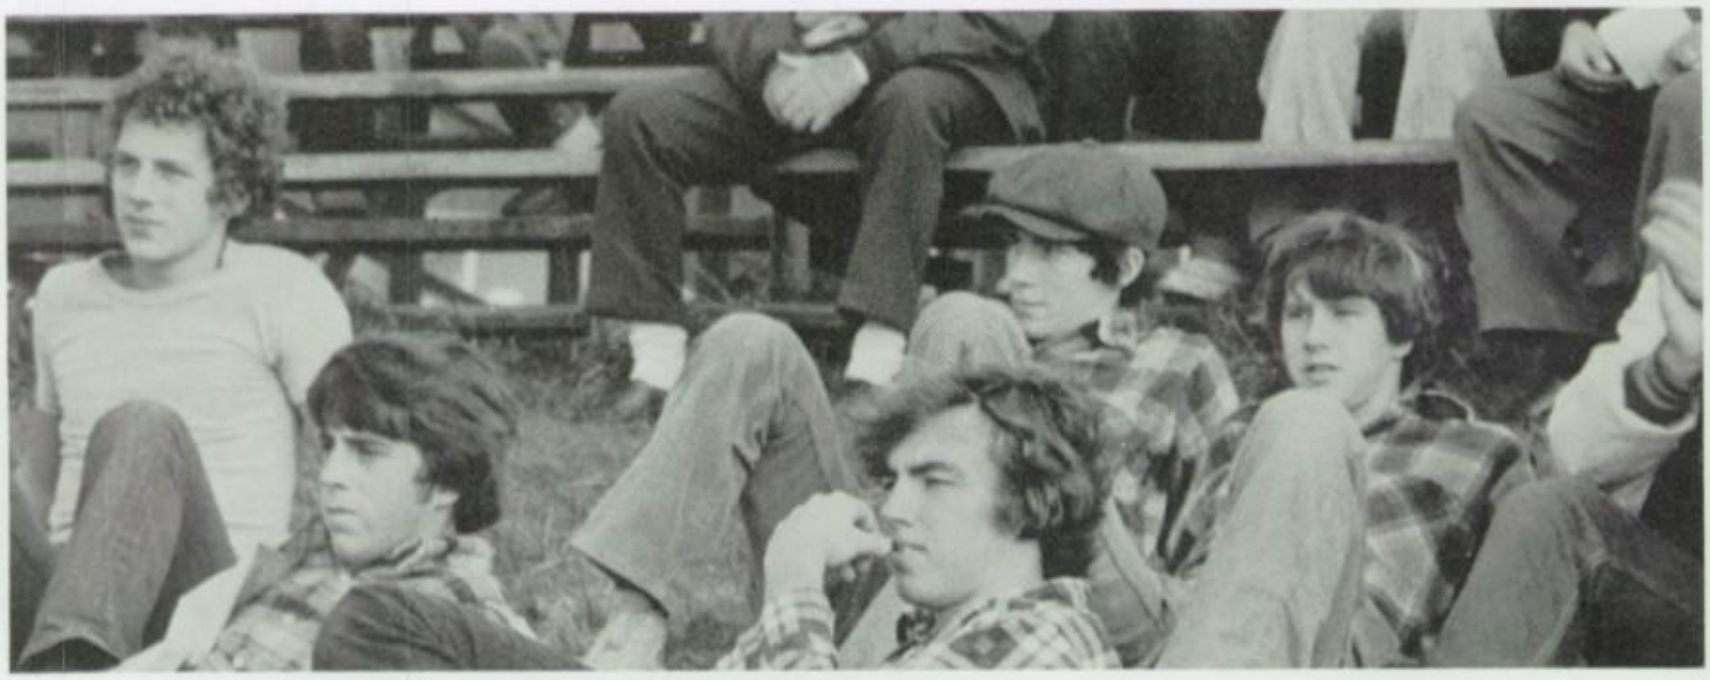
Under a constant downpour, SJ defeated Fitchburg, 13-12, with the difference coming on a Paul "Popeye" Doyle extra point. Tim Moynihan added some heroics of his own by returning a punt 54 yards for a touchdown. The offensive line was again immense in

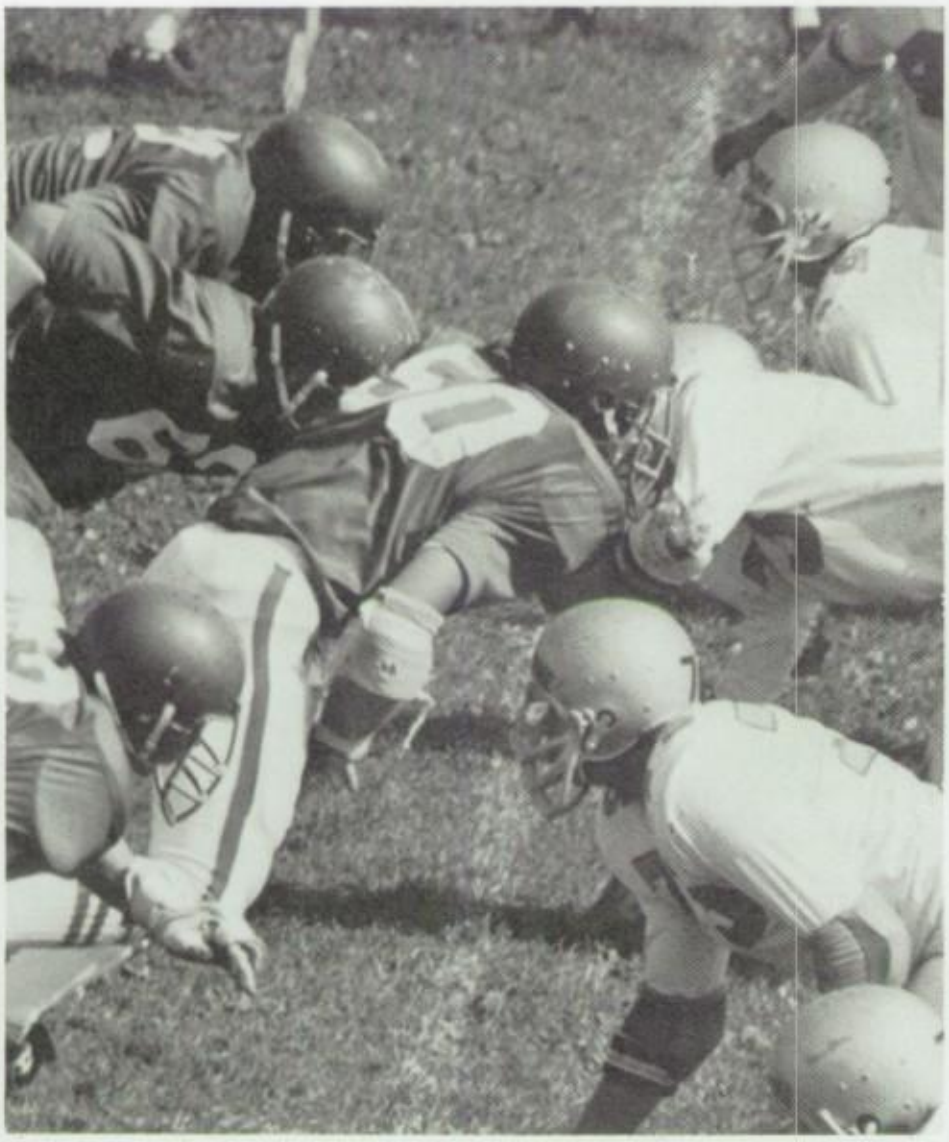


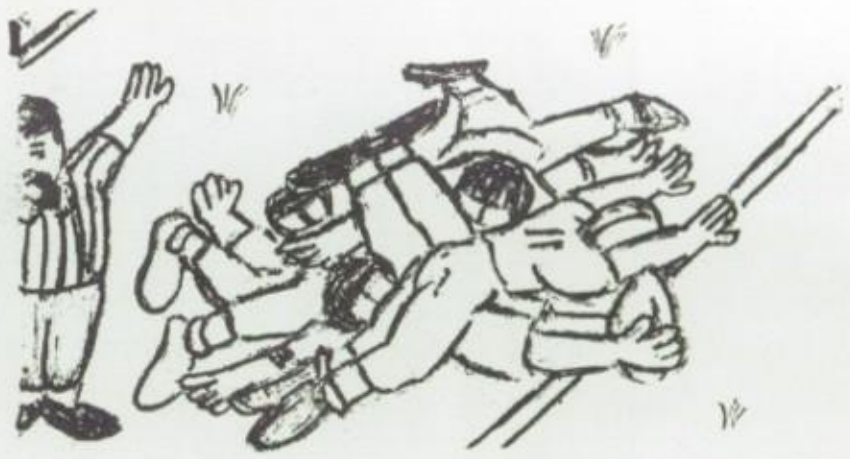
carrying out their assignments, giving the "3-M" backfield outstanding protection. The roster of "Blute's Brutes" included Dan Shea at center, Joe Raskett and Ray Cosenza at guards, and Jay Pelosky and Bob Kelly at tackles.

SJ and Shrewsbury met on a cold Bergstrom Field for the mythical town championship. The defense, led by Bob Kelly, Butch Senecal, and Mark Davis, held Shrewsbury when they had to, enabling SJ to gain a 13-6 victory. The "3-M" backfield of Massucco, Moynihan, and Peter McEvilly powered the Pioneers to a 41-0 victory over SouthBridge. In the "Mud Bowl" next week, S.J. nipped Burncoat 14-6 under playing conditions that were horrendous at best.

ON THE ROAD TO SPRINGFIELD . . .







The final regular season game saw St. John's defeat St. Peter's 20-6 at Fitton Field. Mike McEvilly received recognition as the game's most valuable player, while Ray Cosenza was chosen as the outstanding defensive player. As Class "A" champs, the Saint John's Pioneers traveled to Springfield where they met Chicopee for the state championship. Unfortunately, the Pioneers ended up on the short end of a 21-14 score. Nevertheless, the Pioneers show great promise of repeating their 1975 Football successes in the years to come.

Cross-Country '75

The 1975 Saint John's cross-country team was stocked with talent, prompting coach Brother Fintan Curran to say that it was the best team he had coached since coming to SJ. The team was led by Seniors John Turpin, Phil Brennen, Jack Coggins, Dick Wilson, and Junior Jim Chartier. Backing them up was a strong corps of runners in Seniors Jon Eddy, Paul Vaitkus, Kevin Brown, and head cheerleader Joe Lane, along with steadily improving Freshman Dan Chartier.

The team worked hard in preparing for the first meet of the year against Shrewsbury and Monty Tech. In an extremely close meet, they edged SJ out by only three points. Coming back strongly, the Pioneers won their next four meets by large margins, including an especially sweet win over Doherty, who had beaten them four times in the last four years.

Perennial power Gardner was next in line for the Pioneers. They narrowly defeated SJ, despite another fine showing by super

runner John Turpin. "Turp" was truly the outstanding individual talent of the '75 fall sports season, winning all but one regular season race. He set the school record of 12:16 at Dean Park during the season. "Turp" also won the "K of C" road race in the impressive time of 13:04. He became eligible for the state championship by winning the District III race. He finished fifteenth overall in the Mass. State meet.

Unfortunately, fifth man Dick Wilson was lost for the season when he broke his foot in the Gardner race. The rest of the team took up the slack, however, and the SJ team closed out the season with seven straight wins.

In the District III championship, SJ placed fourth, missing the district championship by one position. Next year's team promises to be strong, as the JV team was 10-2 on the year.

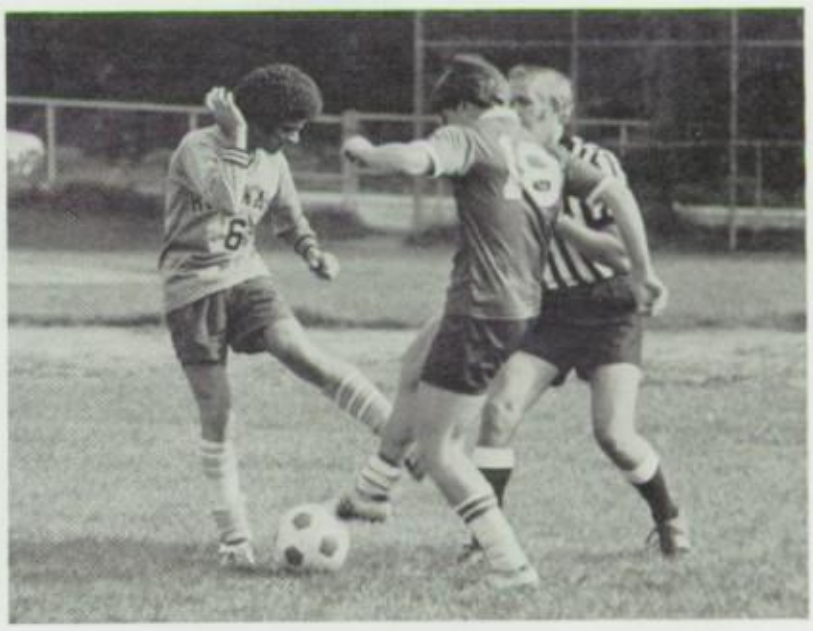
SOCCER '75

The 1975 soccer team could be described as a highly successful unit whose performance will be hard to match in future years. With a regular season record of 14-2-2, the S.J. booters had a number of distinctions of which they can rightfully be proud. The soccer team finished first in the Central Mass. League Championship, qualified for the District III play-offs, and went undefeated the last ten games of the regular season.

Co-captains Kevin Spreadbury and David Flattery led the team to its winning record. Spreadbury was high scorer for St. John's with nine goals and eight assists. Flattery was third with a total of ten points. Senior Steve Lojko finished second in the scoring department with eight goals and five assists. Seniors Kevin Sanders and Peter Cataldo contributed five points each and Juniors Mike Brennan, Sam DeSimone, and Richard Utzschneider added much power to the offense. Seniors Tom Stanton, Paul O'Keefe, and Tim Moynihan are also deserving of commendation.

Varsity Soccer: front row (l. to r.) Richard Utzschneier, Matt Koomey, David Kneeland, David Flattery, Steve Lojko, Ron Fraser; second row (l. to r.) Joe Morgan, Peter Cataldo, Paul O'Keefe, Tim Moynihan, Andy Gallagher, 3rd row: Bill Moosey, Tom Stanton, Sam DeSimone, Kevin Sanders, Tom Turpin, Bruce LaPierre; 4th row: Kevin Spreadbury, Brian Covino, Mike Brennan, Pat Rosseel, Dan McKiernan, Dan Ford, John Utzschneider, Neal Symonds (managers)



But the mainstay of the Pioneer soccer team was the defense. Matt Koomey's handling of the goalie duties was superb. At the end of the season Matt had six shut-outs to his credit. The fullback line of Dan Ford, Pat Rosseel, and Dan McKiernan was certainly the team's strength. Senior Dave Kneeland helped tend the goal.

The booters opened their season in the soccer Jamboree on September 7, gaining victories over Quabbin and Shrewsbury. In their first regular season game the Pioneers battled Marlboro to a 1-1 tie. The second game saw the St. John Booters go down in defeat at the hands of Quabbin.

Junior Varsity Soccer: (front row, l. to r.) Andy Dale, Mike Donoghue, Hugh Lilly, Kerry Sanders, Peter Smith, Ed Gill, Kyle Bourque, Mike Kelliher, (Back Row, l. to r.) Dana Murphy, Mike Moynihan, John Vaughn, John Hayes, Mike Bordogna, John Salem, Richard Boucher, David Midgley, Jim Haddad. Carl Rapp.

The soccer team won the next five games before the Oct. 6 meeting with Leominster. In the third period, the Blue Devils slipped the game's sole goal into the net. This second defeat was also St. John's last. The booters handled Fitchburg and Shrewsbury easily and then met Leominster in what was to be the most memorable game of the 1975 season. The Blue Devils entered the game with a string of 43 games without a loss. Unfortunately for Leominster their string met its end. Richard Utzschneider scored in the second and third periods with assists from Mike Brennan and Steve Lojko. Kevin Spreadbury added one more goal in the fourth period. With Matt Koomey's excellent performance (17 saves) the Pioneers walked off the field with a 3-0 win.

The St. John's team went on to win their next five games. Nov. 3rd the booters wrestled Shrewsbury to a 1-1 tie. The last game of the season was a great one. The Pioneers handled Quabbin well and won 2-0. In the first post-season game, Westboro eliminated St. John's from the state tournament. Despite this unfortunate ending, the team is certainly deserving of much praise.

Freshmen Soccer: 1st row l. to r. Mike Tasse, Mike Splaine, Ralph Marsiello, Nestor Romero, Mike Pingeton, Brad Rand, John DeSimone, Dave Wood, Fran Ford, Mike Shanahan, Bob Hunter. 2nd row l. to r. Brian Foley (coach), Tom Foley, Mike Houston, Mike Charnley, Larry Ferranto, Kent McGilva, Craig Orze, Jim Dickson. (Missing) Vin Jamieson, Tom Beals.

INDOOR TRACK

The 1975-1976 indoor season was the most successful in recent years. The team complied an 8-2 record. They finished second in the Central Mass League with a 6-1 record. The team came within ½ a point of winning the League Championship meet. In addition, several school records were broken. Phil Brennan placed third in the States with a time of 1:18.3 in the 600. Dave Massucco broke the school record in the 300 with a time of 34.7. John Turpin ran the two mile in 9:48. Joe Buscemi broke the school record in the 45 yard dash with a time of 5.2. The relay team of Joe Buscemi, Joe Morgan, Dave Massucco and Mike Cammuso broke the 4 × 330 mark in 2:30.7. A relay team of Dave Massucco Jon Eddy, Phil Brennan and Jack Coggins set the mile record at 2:43.5 which was good for fifth in the states.

District III Champions

This year's Pioneer hockey team once again reflected the tradition of athletic excellence which has become synonymous with St. John's. Continually in the thick of the battle for first place of the Central Mass. League, the team at one point accumulated a twelve game winning streak before being edged out for the league title by one point on the last game of the regular season. However, the Pioneer skaters redeemed themselves by defeating rival Hudson 5-3 in the District III championships, before losing to Springfield Cathedral 4-2 in a hard-fought state championship semi-final contest.

Senior co-captains (and All-Stars) Joel McKoan and Gary Petro, along with high-scoring left wing Bob LaBossiere, led the most powerful offense in the league as the Pioneers scored an awesome 83 goals to lead the league. These players along with constant solid contributors Jim Harrity, Eric Hampe and Jerry Richer provided the strong Senior leadership which is mandatory for a successful season.

The 16-2-1 record which this year's team leaves behind provides a formidable challenge to the underclassmen. However, the talented Juniors and Sophomores should be equal to the task. The defensive corps led by All-Star Joel McKoan and Casey Scavone includes Paul Marinoni, John Salem, Andy Olson and Carey McMaster. Returning forwards include Juniors Dan Kelleher, Steve Wright, Joe McKinnon, Brian O'Connor, Greg White, Duane Perry, and Sophomores Billy Kasper and Mark Lavasseur. These returning lettermen along with several of Coach Fran Johnson's jayvee players should assure St. John's of continued success in hockey competition throughout the state. Finally, all of the players know of the tireless contributions of Coach Araby. He has given much to hockey and the spirit of St. John's athletics.

Basketball

While, in some respects, the 1975-1976 season was an off-year for the Pioneers, nevertheless, the season had many high moments. True, this year's record might not have been as good as the records of previous Saint John's teams, but the '75-76's team's record of 15-9 included victories over such powerhouses as Rice Memorial, Doherty (1976 District III, Class A Champion), St. Peter's (the 1976 Class B Champion), and Fitchburg (the 1975 District Champ).

After starting the year with an impressive 11-3 record, the Pioneers fell into a slump in January. But they turned around just in time to garner enough victories to qualify them for the Districts III playoffs. They managed to defeat Leominster in an exciting game in the quarterfinal round, but fell victim to powerful Fitchburg High in the semifinals WPI's Harrington Auditorium. But despite the disappointments and bad moments, this year's team provided excitement and color. A wide variation of line-ups was used, casting many new players in key roles.

It was a year of new faces: Tim Connors, John Moynihan, and Mike McEvilly. It was a year that saw the return of many St. John's veterans: Kevin Crimmin, Jay Egan, Steve Keable, Mike Palazzi, and Dave Russo.

It's hard to label a 15-9 team a "powerhouse," but, at times, the team showed signs of brilliance. So, when you look back on this season, another chapter in the long book of winning traditions at Saint John's, remember the big wins, the great Yuletide Festival, some of the super individual and team efforts turned in, and, most of all, the love and dedication to the game of basketball on the part of the coaches and players that made this year a success. The class of the St. John's basketball program was visible throughout the entire season, both in victory and in defeat. This team may not have been a champion in the standings, but hard work and the time put in by everybody, from Coach Bibaud down to managers Brian Charette and Paul Engel, made them champions in their own right.

Golf '76

The 1976 edition of the St. John's golf team swept through its regular season schedule with ease, capturing 14 of 15 matches and winning its second consecutive CMC title with a 10-0-0 league mark. The team was led by captain Chuck Tidman, who completed the season with an undefeated personal record. The second spot was held by senior Jay Bath. In the third slot was Marlboro Junior Paul Marinoni. Casey Scavone filled the number four position. Three-year letterman Paul O'Keefe held the fifth position. Sharing the sixth position were Sophomore John Andreoli and Senior Tim Connors. The alternate positions were filled by Junior Owen Camden, Junior Jim Good, and Freshman Sean Donohue.

Though Coach Mr. William Prendiville saw an undefeated season slip away at the hands of Auburn, he couldn't help but be proud of one of our finest teams in years. The Pioneers entered post-season competition on two levels. In winning the CMC title, they earned a berth in the District III team championship. In addition, Chuck Tidman, Jay Bath, and Paul O'Keefe earned berths into the State Championship Qualifying round.

TENNIS '76

Tennis has come and gone several times over the years here at SJ, but the success of this year's tennis team indicates its emergence as a permanent part of the sports scene. Using the four new all-weather courts built by the Thousand Dollar Club, and a great enthusiasm among the student body, Coach Br. Alois has laid the foundations for building SJ into a tennis power in the near future.

Last year, the team played an abbreviated schedule of matches, but this year's squad took part in a full season of 14 meets. As this book goes to press, the team stands at 7-3 which assures them of at least a .500 season, a great feat for a team with so little experience.

The squad was led by Tri-Captains Tim Wickstrom, Paul Doyle, and Rich Sawyer. Underclassmen on the squad included Joe Arsenault, Nery Gomez, Craig Orze, Dave LaVigne, Ted Garabedian, Ron Fraser, Tim Hart, Brian Covino, and Craig Abraham.

Always looking to the future, SJ took an unprecedented step in forming JV and Freshman squads.

"There are at least six freshmen that could be playing on the varsity squad within one or two years," said Brother Alois. "We hope that by having both a JV and Freshman team we'll have a steady stream of good players that will put SJ on the top in tennis."

SPRING TRACK '76

The 1976 edition of the Saint John's track team, coached by Br. Fintan and Mr. Frew, posted a 9-2 record. Led by 12 Seniors, the team basically found its strength in the running events.

The season opened April 15 against North and South. The Pioneers Overwhelmed both teams easily, just missing the 100 point mark. The next meet was the CML relays, in which SJ won four events and placed in virtually all others. The 1976 Elks Road Race was held two days later. It was here that SJ's distance runners showed their strength. Outstanding performances were turned in by John Turpin, Jack Coggins, and Phil Brennan, who came in 2nd, 3rd, and 5th, respectively.

The following day, SJ received its first blow of the year, losing to Fitchburg in a close contest. The next meet, against Leominster, followed almost the same lines, but SJ runners pulled out a squeaker by taking the final events to capture the victory.

Doherty came to town next, and, once again, the Pioneers went into the running events trailing the HiLanders by a large margin; too large as it turned out, and SJ took the loss. The meet against St. Bernard's and Auburn turned out to be a classic. The Dandies showed up brimming over with confidence after thumping SJ in '75, but outstanding performances by all SJ tracksters sent them home smarting from the loss. The relay team of Tom Turpin, Phil Brennan, Jon Eddy, and Jack Coggins led the SJ charge.

On May 14, the SJ runners met Wachusett and Holy Name. St. John's chalked up two easy victories, beating Wachusett 93-52, and cracking the century mark against Holy Name, 124-21. Two days later, Gardner proved to be a tough nut, but again SJ came through in the clutch. Though the District III meet was disappointing, with the Pioneers coming in 5th, the season was very rewarding overall, with the team fighting it out in the clutch, and always giving out 100%.

Senior members of Varsity Track Team: Front row (l-r): Jon Eddy, Jim Largess, John Coggins, Jeff Carr, Phil Brennan; Back row (l-r): Peter Cataldo. Steve Etre. Ioe Buscemi, Dave Massucco, Paul Vaitkus; Richard Wilson.

FRESHMEN TRACK: 1st row (l-r): E. Ferjulian, D. Chartier, D. Woods, M. Houston, P. Hunter, G. Puzar; 2nd row (l-r): B. Vogt, M. Sheehan, R. Paulsen, D. Welsh, T. Murphy, S. Lavallee, B. Monahan, T. Baseball '76

Varsity Baseball: First (l-r): Ray Cosenza, Jim Grady, Steve Rocco, Paul Blanchette, Mike Bombard, Mike McEvilly, Dan Ford, Pat O'Connor, Mr. John Case (head coach); Second row (l-r): Paul Granger, Jack Herbst, Brian O'Connor, Mike Lee, Ron Darling, Jim Wentzell, Art Tomasetta, Brian McDermott, Tim Moynihan, Jim McDonald, Kevin Dickman and Mike Moynihan . . . 1976 Division I, State Champions.

Freshmen Baseball: First row (l-r): Kevin Guiney, Justin Ball, Jack Howard, Mike Lamoureux, Mike Looney, Mark McNamara, Rich Roy, Mike Shanahan; second row (l-r): Robert Cosenza, David Underwood, Bill O'Connor, Jeff Green, John Moynihan, Mike Conte, Mike Coakley, Mark Ullian, Larry Ferranto, Bro. Thomas Lydon (coach).

It was the combined effort of all the players that enabled the 1976 Saint John's baseball team to qualify for the districts. The team under the direction of Mr. John Case compiled a regular season record of 14 wins against only 5 losses. Leominster, Saint Bernard's, and Saint Peter's were the only teams to defeat the Pioneers in Baseball. The victories came from as far as Somerset High to as close as North High. A high point of the season was the Somerset-Durfee Tournament Championship won by Saint John's in April.

This year's team was well-equipped with a talented infield consisting of Dan Ford at first (Dan was Most Valuable Player at the Somerset-Durfee tournament); Ray Cosenza at second; Brian O'Connor at shortstop; Steve Rocco played third. Situated in the outfield were Paul Blanchette, Tim Moynihan, and co-captain Mike McEvilly. Calling the shots behind the plate was co-captain and Pioneer Award Winner Jim Grady. The pitching staff consisted of Jim McDonald, Pat O'Connor, Jack Herbst, Jim Wentzell, Ron Darling and Mike Bombard.

On Thursday, July 22, more than 500 people gathered at Holden Hills Country Club to honor this year's team for winning the Mass. State Championship. After winning the Districts with a 5-3 victory over St. Peter's, S.J. defeated Framingham 6-1 in the semi-final game. With a 4-3 victory over Brockton, St. John's was Champion of the State.

Totally Absurd

Now, when it gets dark, we can tunnel out through here.

Will the real Brother William please stand up.

I'm not going to play if I can't win!!

They're suppose to hatch around midnight.

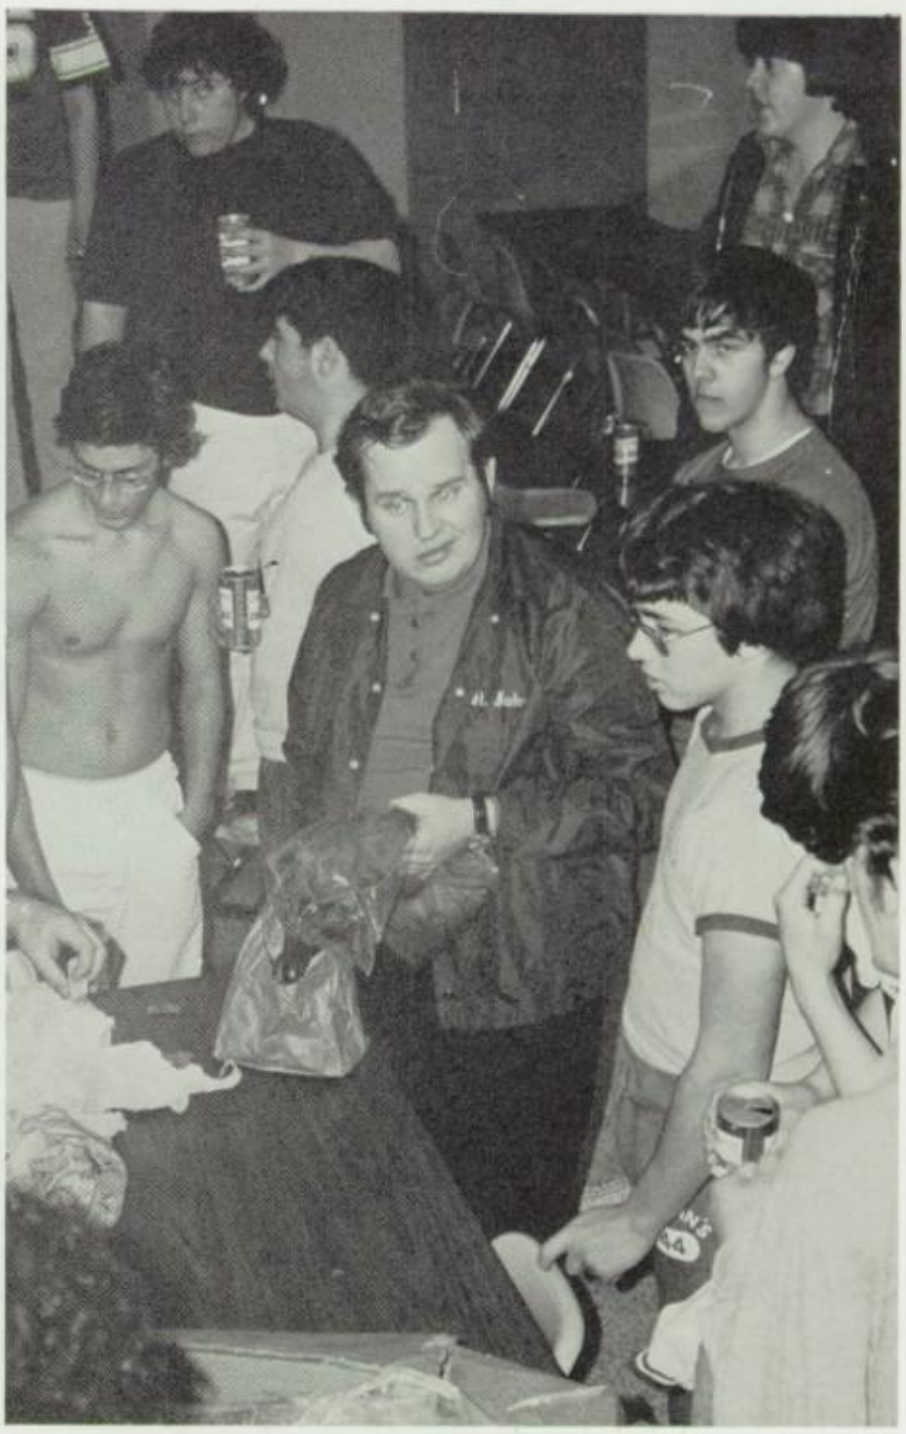
Can you guess which one can hold more candy?

Bro. Fahey: Sure, he's laughing now; but wait until I get through with him.

Sanders: I don't know what's the matter with him, but I think it's the punch.

O Solo Mio!

Charly: Lovely dance, isn't it?



Bro. William: Maybe I had too much Kielbasi.

Stanley Cup Hockey

This year's Stanley Cup Hockey tournament featured seven teams competing. In the final game, Brother Ken's Killers faced the Bombastic Bruins coached by rookie coach Mr. Stephen Gregory. The final game was decided in overtime when Mike Bombard scored a goal within thirty seconds of the first face-off. Ken's Killers were champions. The Stanley Cup Hockey Tournament is now in its sixth year as a Senior activity under the direction of Mr. Lane and Mr. Case.

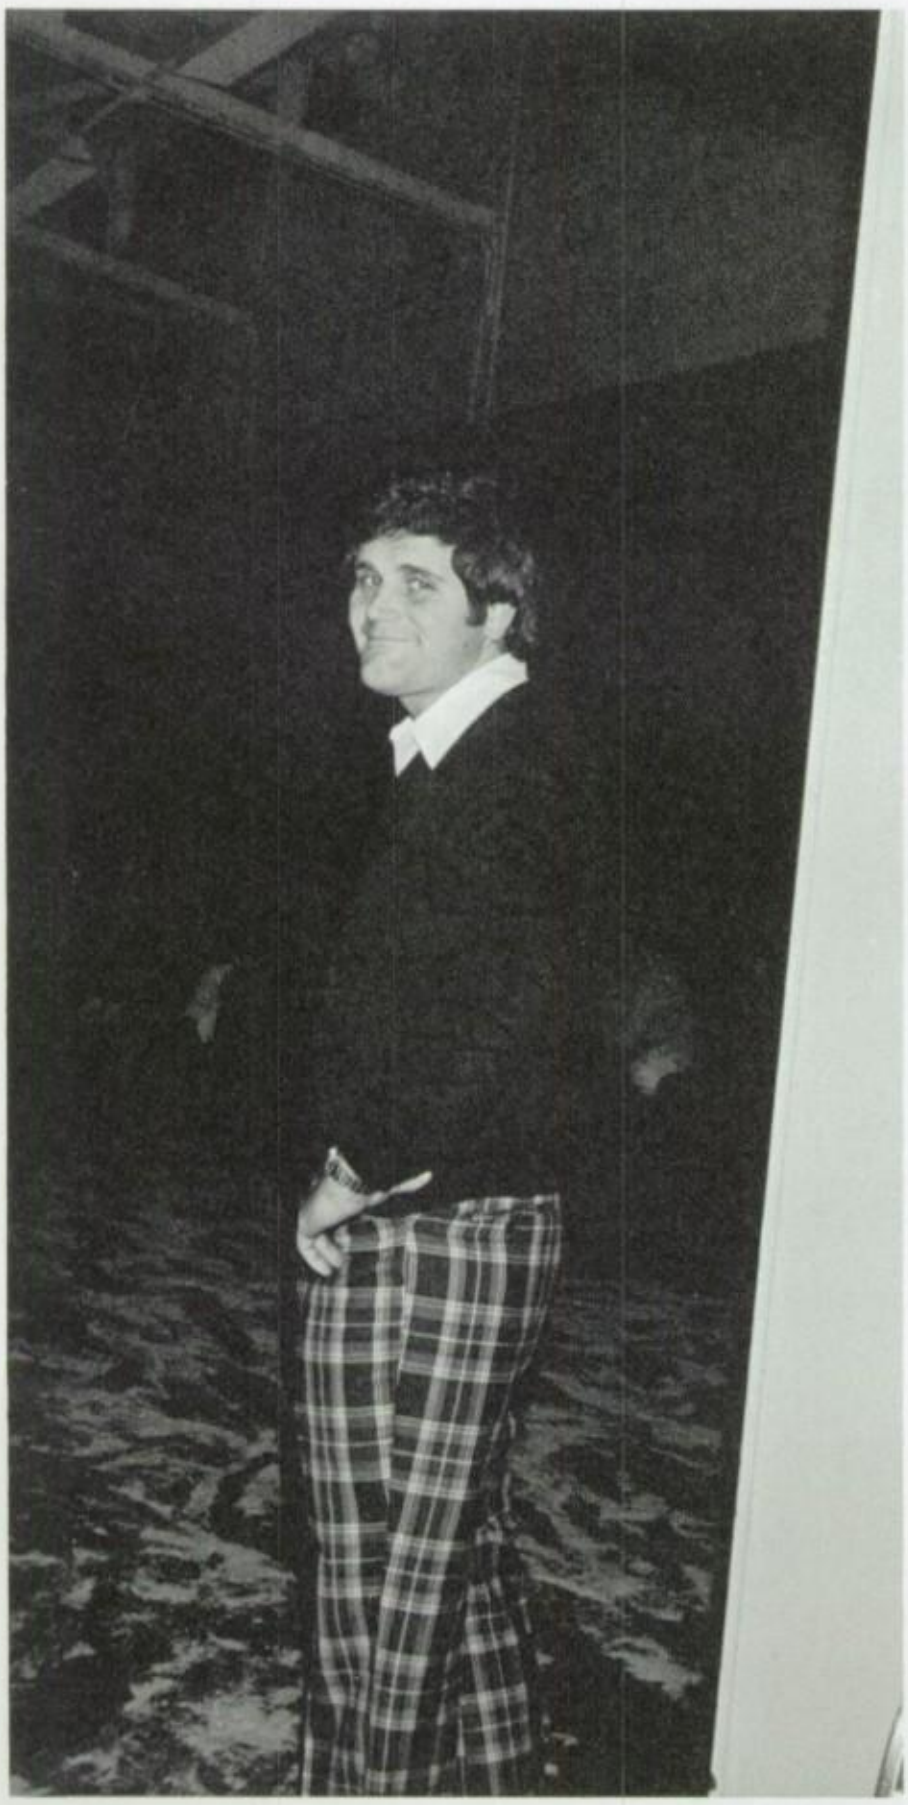
O'Riley's Believe It Or Not . . .

Yes, Johnny: Teachers Do Smile . . .

Oh Really? . . . No Riley!

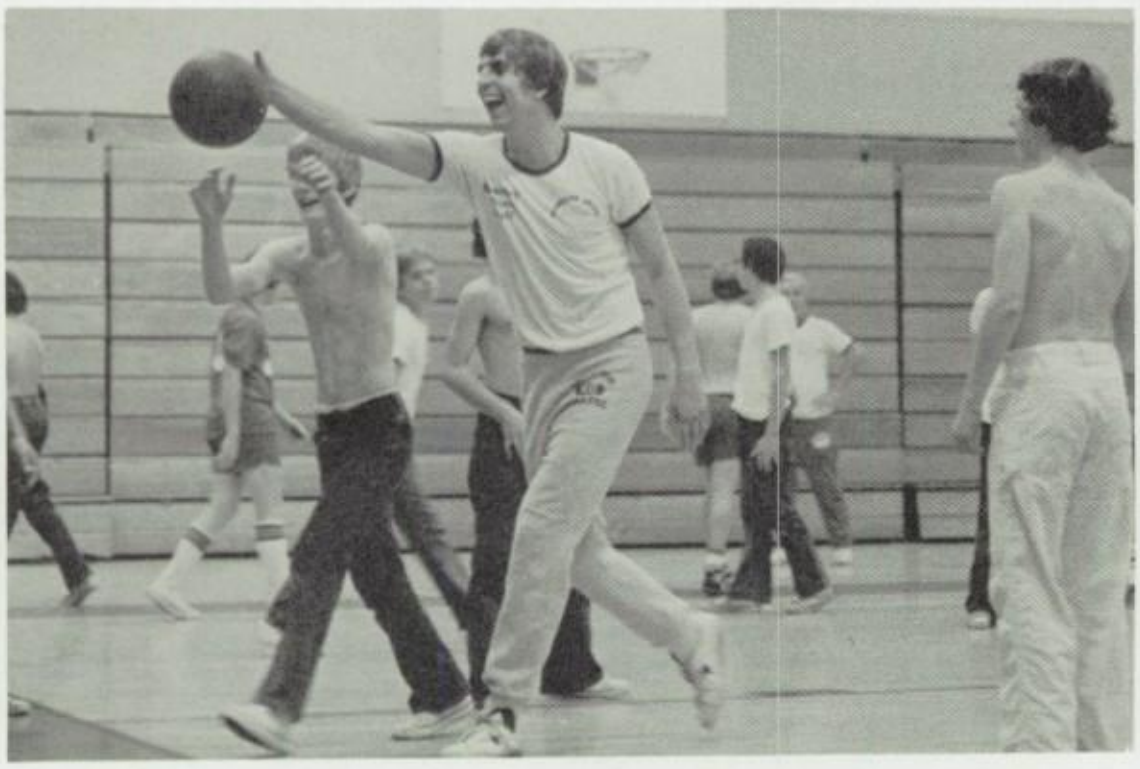


Mr. Michael Blute was caught smiling during a dance which he was chaperoning. It made one almost believe he was having a good time . . . at a dance!? Really Mr. Blute?

On Nov. 7th Brother Thomas Fahey, dressed in kitchen attire, is shown at his favorite pastime: putting sliced bananas into little bowls. The big grin on his face is evidence of his happiness.

On Jan. 14 Brother Thomas Lydon was caught just before he had the chance to dissect a sleeping student. Really, Brother Lydon, we'er surprised at you. Shame, Shame, Shame.

This snap of Brother Matthias catches him in a rare moment. Here his one thousand dollar smile literally lit up the gym. Know for famous art imitations, he is shown here doing his favorite impression: the *Venus de Milo.*



Mr. Christopher Erali is shown here laughing at a practical joke which was played on him. Someone purposely stuck gum on the basketball. A Freshman is shown here trying to get him unstuck, while bystanders look on aghast. What a good Sport, Mr. Erali.

Marx Brothers: That's the most

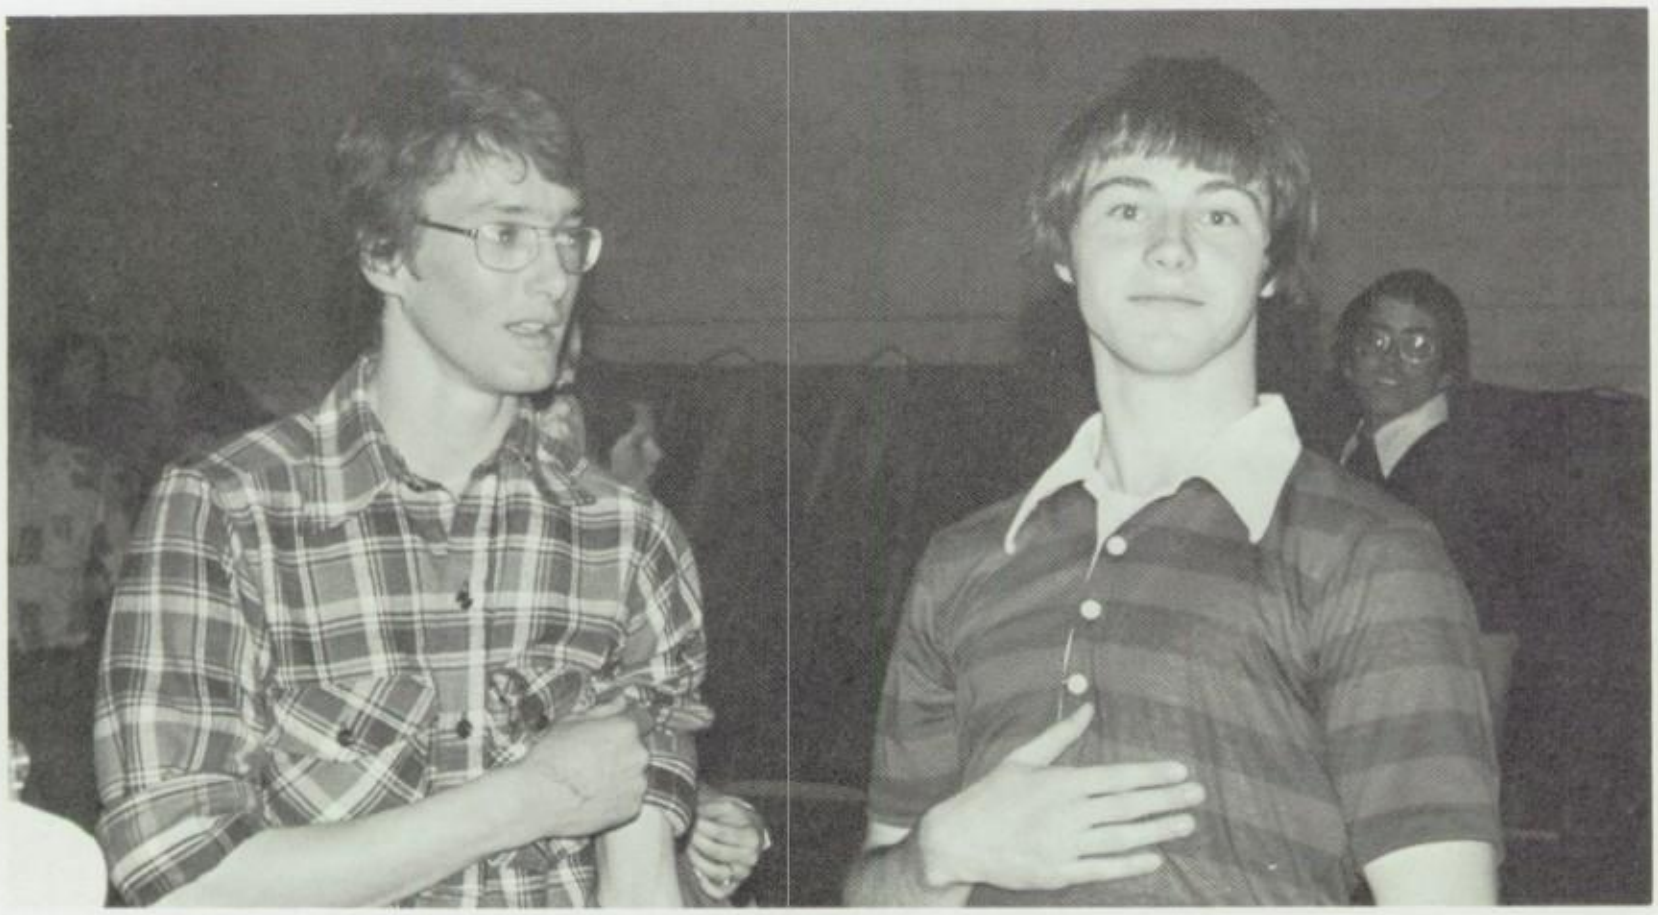
"You can have any kind of home you want to. You can even get stucco – oh, how you can get stucco."

" . . . but from the time he got the marriage license, I've led a dog's life."

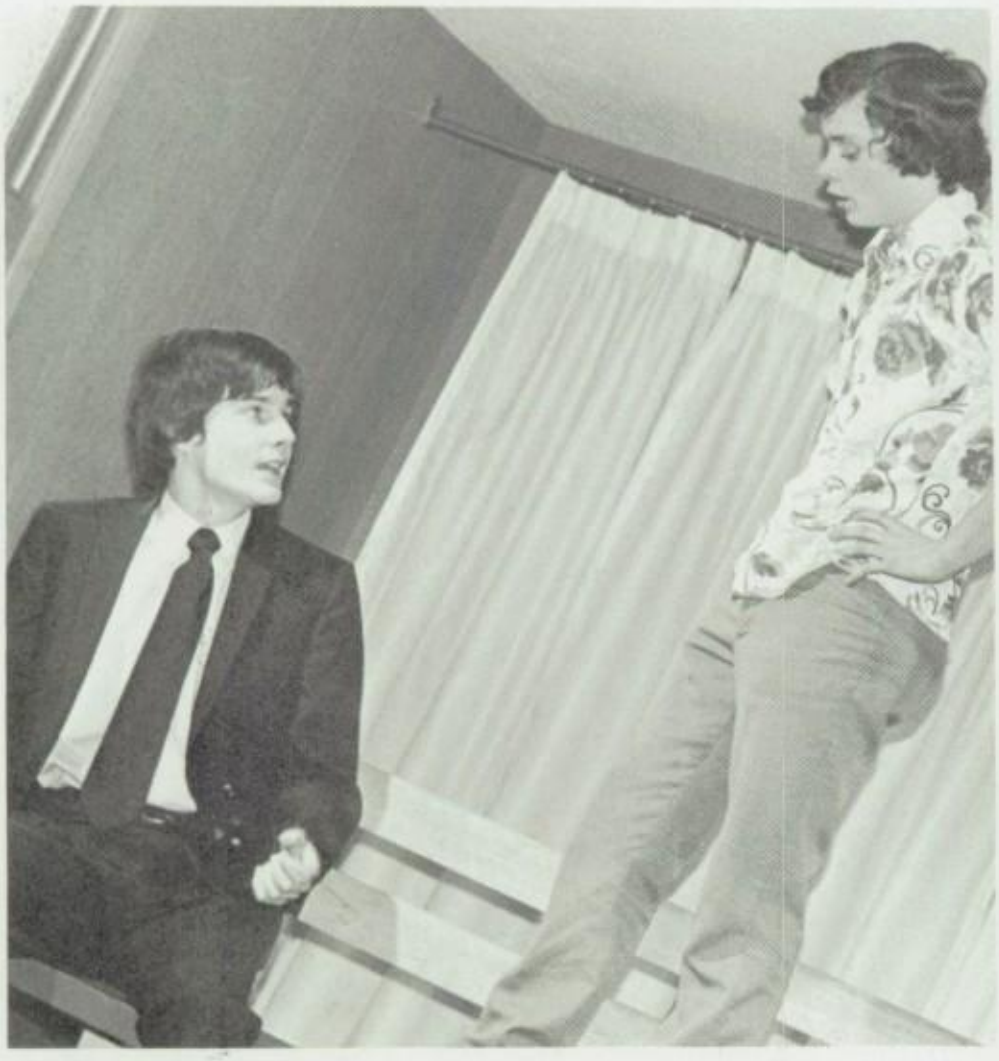
Tim: "That's what they call a Sanity Clause;" Ed: "You can't fool me. There ain't no Sanity Clause."

"Now just put that bag of Jello over here; wouldn't it be simpler if you just had him stuffed?"

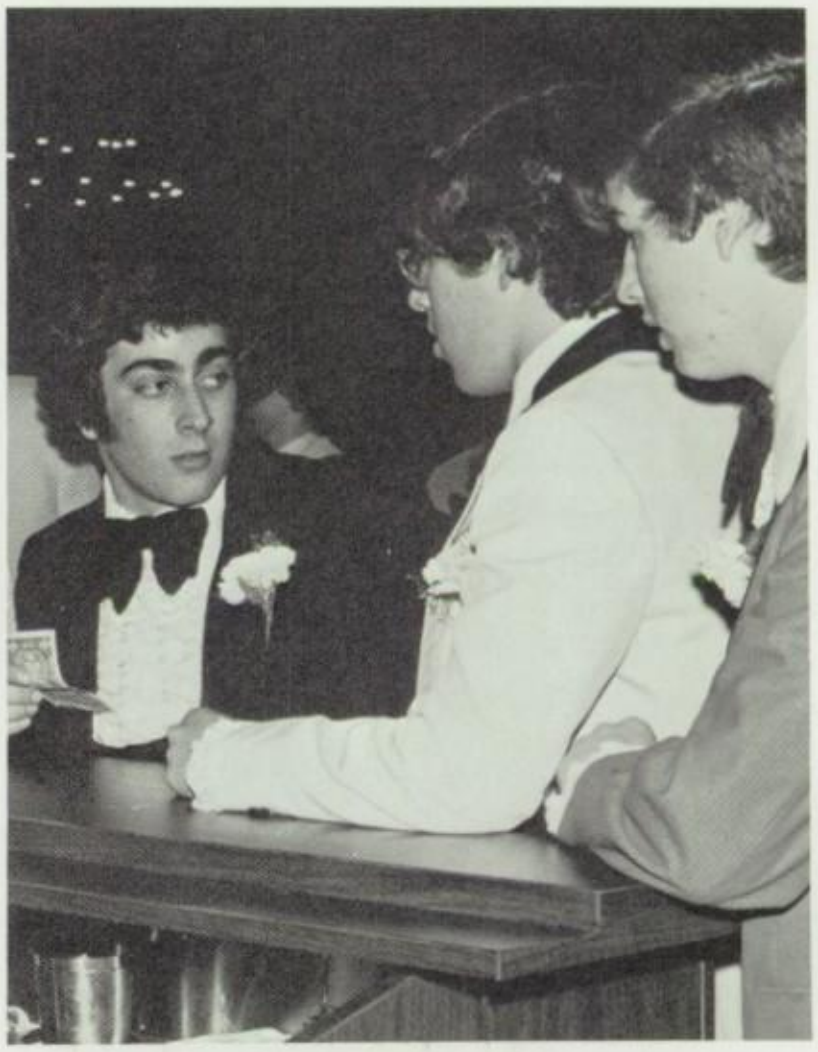
ridiculous thing I've ever heard!



"One for all and all for me – me for you and three for five and six for a quarter."



Brian: Sir, you try my patience! Alan: I don't mind if I do. You must come over and try mine sometime.



Mooshian: "Did anyone ever tell you that you look like the Prince of Wales, and believe me when I say Wales, I mean Wales."

A Tribute to Mr. Joseph P. Hayes

On May 10, 1976, Joseph P. Hayes was laid to his final rest at Greenwood Cemetery in Cedar River, New Jersey. A rather unusual thing happened at the gravesite. Upon the completion of the final prayers, and just before the group of friends departed, a spontaneous and somewhat unnerving round of applause broke forth. It was Joe Hayes' final curtain call. Recognizably an unusual occurrence for a cemetary, this unique finale certainly befitted Joe Hayes, who was himself a most unique personality.

St. John's and Holy Name High Schools have been most fortunate in knowing Joe Hayes. Ten years ago, Joe brought the magic of his all new and exciting musical extravaganza T.T.O. (Take Time Out) to the St. John's gymnasium, which he, through his musical talents, transformed into a broadway stage for the four fun-filled evenings. From here, the genesis, sprung forth in an almost evolutionary – like fashion his subsequent productions: I.T.M. (It's The Most), WOW!, T.N.T. (The New Touch), Bravo, Razzmatazz, the Sky's the Limit, Kaleidoscope, and Hot Off the Press.

This year's show, the tenth anniversary production, *Red, White and Brassy* was a magnificent and thrilling finale to an illustrious theatre career. Literally, thousands of young people have experienced the joy and thrill of the sound of applause because of this man and his extraordinary talents. Joe Hayes loved Worcester and its people. All that he could offer them he gladly gave. We feel deeply the loss of Joe's company but we are thankful to the almighty for the time we had with him.

Joe Hayes had two loves: the theater and young people. Joe found a business and a way of life in which he could integrate these two important elements in his life – show business. Each performing night at St. John's, just before the finale, Joe would tell the audience, his audience, just how wrong the prophets of gloom and despair were about young people of today. Joe told of how wonderful they are, and he meant it sincerely. He knew; he worked with them. His life was dedicated to them through the medium of the stage. (From the Eulogy given by Bro. Comeau on May 18, 1976.)

The Road goes ever on and on
  Down from the door where it began
Now far ahead the Road has gone,
  And I must follow, if I can,
Pursuing it with eager feet,
  Until it joins some larger way
Where many paths and errands meet.

The End

The 1976 St. John's Yearbook is the product of the work and co-operation of many. We would like to thank all those who suffered so graciously the inconvenience this project might have at time caused them. We would like to thank those who so generously involved themselves in our efforts:

Our headmaster, Brother J. Conal Owens, C.F.X.

The other members of the administration and faculty ... especially Bro. Stephen Comeau who assisted and encouraged this project in so many ways.

Mr. John Carrier of the Herff-Jones Company, Yearbook Division.

Marvin Richmond Photography ... especially Mr. Francis Doyle.

The Student Council for its financial assistance.

Those who helped compile the underclass section: Charles Barry (10), Albert Hayeck (10), Dan Chartier (9), and Tom Murphy (9).

Wayne Dion for the art work on pages 20-21.

The Sports Writers: Chuck Tidman, Dan Deedy, Richard Wilson, Joe Buscemi, Tim Wickstrom, Michael Camusso, Gerard Richer, Mike Moyhihan (10), and Mark Foley (10).

The Activities Writers: David Montgomery, Paul Covino, and Brian Covino.

Those Seniors who assisted in writing the Senior Biography section and who assisted in the collection of receipts for the book: David Cahill, Bob Goodel, Steve Mulvey, Dan Maynard, among others.

Paul Vaitkus for photography and some copy.

The other photographers: Brian Charette (10), Mike McKeown (11), and David Batbouta (10).

Jeffrey Jay for writing and typing the Senior Biography section.

Stephen Kmiotek, especially for the Marx Brothers, pages 136-137, and the last page of this book.

Tom Daniels who did much of the organization especially in the area of Sports.

Finally, there are three members of this year's staff who deserve special recognition. Hopefully, this book will serve as a tribute to their efforts. First, Alan Carl who handled the major responsibility of supervising the collection and recording Yearbook funds so commendably. Second, Mark Shea who spent many hours in the preparation of this book ... whose imagination permeates this book. Finally and most importantly, special thanks is due to Michael Connolly who contributed so much of his time and ingenuity to making this project what we hope will be a great success.

We've tried to show what the year was like at St. John's in '75-'76. Hopefully, we have succeeded. Thank you for reading ...

Brother John C. Sullivan, C.F.X.
